See Continuation Sheet

Part III.

- ☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.
☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Agreed to amend claim 13 to patenty distinguish over Luby taken in combination with Kamrath. Agreed to change "therein" to --thereon-- in claims 19, 24, and 27 of which corresponded more closely with the arrangement shown in FIG. 5 of the original drawings. Agreed to amend claim 17 to provide antecedent basis for the step of "exerting said force on said sheroid-shaped member-- recited on lines 7-8 of the claim. Agreed to change "the step" to --a step-- for proper antecedence. See the attached examiner's amendment and reasons for allowance for details.
